

History?

If there is some particular area where you would love to see confidence or self-esteem increased in your child, it would help us to know, so that we can work on that during the camp. Please let us know if your child needs special understanding. All information will be kept private and confidential. Please add another page if insufficient space.

Special Skills, Abilities or Interests:

Please note: This camp is subsidised- \$125PP (representing a 56% subsidy) plus \$15PP Insur. Fees rep. a 60% subsidy. Many would be unable to afford the true full fee, so our sponsors make Kids of Gold possible.

How did it start?

The Kids of Gold camp began in Feb 2003 with co-operation and backing of a number of Primary Schools. Parents and children were so enthusiastic about the camp, it developed a 2nd level, then a 3rd. A 4th level began with the aim of teaching leadership to Level 3 campers, and this has resulted in quite a number of leaders coming from within Level 4 and serving as very effective leaders over the past few years. This currently is proving to be an ongoing leadership source for the future. Gary Parsons, the founder, and a fully qualified teacher, continues in the camps advising as needed.

What do they do?

The central theme of the camp is "You are Special" and will enable every child to see how special they really are!

Activities will include sessions about value, confidence and self-esteem and include group and individual outdoor rope and initiative activities with trained staff.
